## How to find us

HR Wallingford's Australia Ship Simulation Centre is situated in Fremantle at the south west end of Cantonment Street in the Atwell Arcade. It is a 2 minute walk from Fremantle's train station, 3 minutes from the Cappuccino Strip and 6 minutes from the Esplanade Hotel. There is no parking available at the Ship Simulation Centre, but parking is available elsewhere in Fremantle.

Approaching Atwell Arcade, there are shops on either side of the entrance, named Hemp Co. and Hype. Enter the Arcade, passing a coffee shop on the left and use one of the lifts, through the double, sliding, glass doors, to reach Floor 1. Turn left when leaving the lift and HR Wallingford's office is on the left, with our name on the glass. See photos below.
